Honorable William J. Casey  
Director  
Central Intelligence Agency  
Washington, D. C. 20505

Dear Bill,

Regarding your request that we release an unclassified version of your April 1982 Study on international differences in financial capital costs, let me briefly note what we are doing. Because there was strong Treasury objections we are carefully reviewing their comments and the subsequent CIA ones on Treasury's critique to see if any revisions to the Study might be useful.

William F. Finan of my staff (377-1051) is handling the matter for me.

Sincerely,

A handwritten signature in cursive script, appearing to read "Lionel".
